RE: Help with knowing who my lawyer is because It dint sound right e getting my medical record from C-M-S

I write because a lawyer by the name David A. Felice ask to call him, he really did not sound to good one when he said that I may not get what I ask but 5,000 and the other was that the Jury will see me as a Inmate and said he got what he Desver, that dont sound right. Is he my lawyer?

The other is to see if you can order C-M-S to give me copy's of my medical Record this will help me show the court that they are still make order and dont care to do them e it will show the courts that they dont care about our Health C-M-S should pay for all they put me thour its wrong I'm Human,

Please for the love of God Help e Thank you God Bless,

Sincerely
David DeJesus Sr

PS. This is late they are given me also problem as the lawlibrary at H-R-P-L-I because of the lawsuc and the warden here is not answering any of my letter for help at S-C-I

Look at the exhibit and also my mail are you getting them?
